Hello All,

For your request, please complete a new [voterlistrequest.pdf \(iowa.gov\)](#) form. For Option 1 under jurisdiction(s), please write in Cancelled voters and for Election participation Option – specify Nov 2022 election until current day. Once we receive your request, we will contact you for payment since this request is separate from the statewide subscription list you receive now.

Thanks,

Good afternoon,

To provide clarification on our request, we would like detailed voter registration information as well as voter history for every voter that was moved to canceled status from the Nov 2022 election until current day.

Attached is a copy of our receipt showing that we have an active statewide voter list subscription with your office.

The canceled voter information that we are requesting is not an option on the voter list request form. Can you please let us know what selections should be made on the request form or would you like us to submit a blank but signed form?

Thank you,

Voter Reference Foundation

Good morning,

I am wanting to clarification before I start pulling reports and give you a total. You are wanting 2 separate list? One list will be the voters that moved to cancelled status since the Nov 2022 General and then the second list will be individuals participated in the Nov 2022 election? If that is correct, you will need to fill out a voter list request. If you can keep a copy of the voter list request that is the best way to submit to our office instead of emailing us what you are wanting. We can't move forward until you provide a signed Voter List Request form so that is why I highly suggest keeping a copy of that form if you plan to keep emailing us voter list requests.

Thank you,
